

Elmont Elementary
Bobcat Summer Reading Program
2024

Dear Parent/Guardian:

Elmont staff members want to make sure reading is part of your summer fun! The Bobcat Summer Reading Program is not mandatory, but we hope that you and your child will want to join us in reading over the summer. Your student should read books that interest him or her and are appropriate for your child's reading ability. For young pre-readers, parents are encouraged to read to or with them. Here are some options for tracking your child's reading this summer:

1. Topeka Shawnee County Library summer reading program
2. Barnes & Noble summer reading program
3. Elmont Bobcat Reading Program (on the back side of these directions)

Color the box as you finish each challenge. Try to complete at least 20 of the challenges.

In early September we will have ice cream and new books during a celebration at Elmont Elementary. Students who bring proof of participation in any one of the programs listed above will be invited to the celebration!

Happy Reading!

Elmont Staff

SUMMER READING ABCS

Color the box when you finish the challenge!

A Read a book by your favorite author	B Read a biography	C Read a chapter book	D Read a detective story	E Read a book with exciting facts	F Read a fantasy book	G Read a book with a glossary
